CLAREMONT COURT

CARE HOME

Dear friends

We have been enjoying the Christmas festivities and reflecting on the love, laughter and memories made over the year. We hope you enjoy our round up of the past few months.

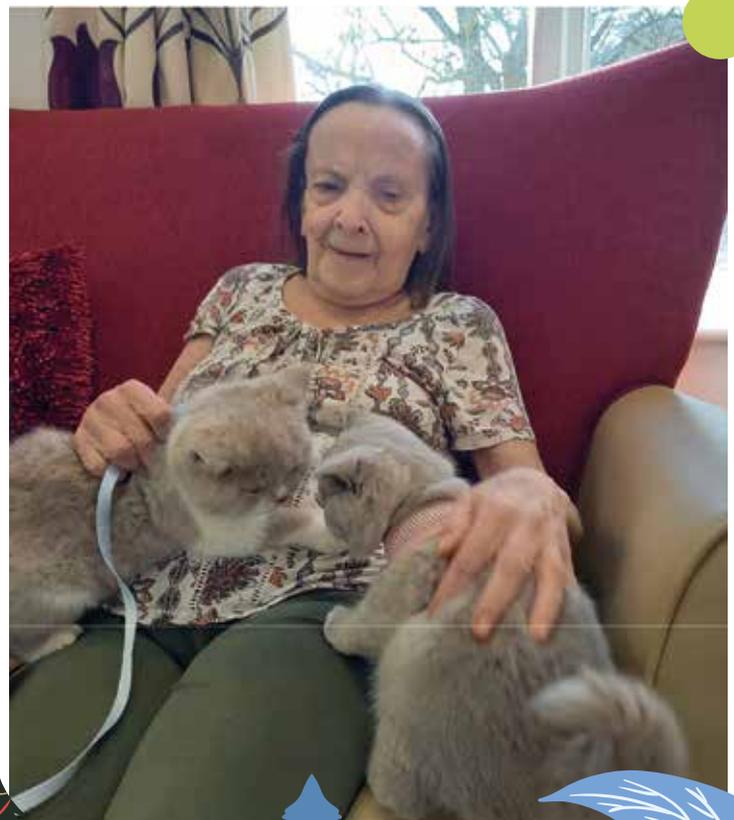

A cosy autumn

October brought lots of fun to Claremont Court. Our team members had an ingenious idea when it came to decorating pumpkins for Halloween. So out came the glitter, paint and stickers and everyone got involved designing some wonderful animated faces! We then got dressed up to host our Halloween Pop Up Coffee Shop where residents enjoyed spooky themed cakes and drinks. The fun continued a few days later for Bonfire Night when we transformed the garden into a twinkling Winter Wonderland for residents to stroll through whilst enjoying the fireworks. Such a cosy time of year!

Furry friends

Boonies Pet Therapy have been regular visitors to Claremont Court this year. Every time they bring with them a heartwarming array of cuddly animals for our residents to enjoy. They say spending time with loving animals is good for the soul and we have certainly found these wonderful pets to have a calming influence. Our residents love their time with the animals and enjoy bonding with them all, from piglets to kittens. In fact, everyone fell so in love with their furry visitors this season that we decided to adopt two of them! Clare and Monty the pedigree kittens now bring joy to our residents' lives every single day and we couldn't be happier.

A meaningful celebration

December brought with it an incredibly meaningful celebration for our team at Claremont Court. We are proud to announce that we have been awarded the Gold Standards Framework (GSF) Platinum Award for the continued delivery of compassionate, high-quality, end of life care. We believe this is essential for the comfort and dignity of our residents, as well as the reassurance and peace of mind of their families. It is a privilege for us to be welcomed into our residents' lives and so we ensure every moment is filled with the same love and care we would extend to our own family members. We are hugely proud of our team for achieving this poignant award.

Step into Christmas

It was a busy festive period filled with joy and cheer as everyone joined together to transform our home ready for Christmas! Up went the wreaths, garlands and trees trimmed with a sparkling array of baubles. Residents sipped on sherry, nibbled mince pies and shared memories of Christmases gone by as they decorated. And the result made our home the perfect setting for the stream of parties and live performances we enjoyed over the month. There were also carol singing sessions, pop discos and screenings of everyone's favourite festive films. The perfect end to the year!

Wishing you a Merry Christmas and Happy New Year from our home to yours!

Karen Byres
