

News from
CLAREMONT COURT
CARE HOME

Dear friends

A new season is here and our home feels bright and vibrant! Here is a little peek into our fun spring adventures!

Joys of spring

Springtime has seen our residents enjoying lots of time outside in the sensory garden. Everyone has been busy pruning and planting to make it look its best! We have also been embracing the warmer weather with local walks in the glorious sunshine to see the colourful blossom in full bloom! Back home, there has been plenty of entertainment too, with live performances from the wonderfully talented Natasha to sing music from the musicals. As well as birthdays and parties galore! Such fun!

Keeping active

There's always fun and games aplenty at Claremont Court and this spring has been no exception. Our residents have been having a great time with all the new games on the OMI Magic Table, our ingenious interactive light sensory games board! Recently we've been playing Air Hockey, manoeuvring the virtual puck with our hands to try and score a goal. It's a great way to keep our bodies and minds active! The fun didn't stop there and our residents have been practising their hand-eye co-ordination with real-life games of catch with giant inflatable beach balls! What can we say, we're a lively bunch!

Spring lambs

Spring arrived at Claremont Court with a visit from two fluffy lambs from Boones Farm, who residents stroked and lovingly bottle fed! They were joined by their friends Roger and Jessica the rabbits and Goose the cat! We love spending time with animals and our residents faces light up whenever our affectionate little puppy Ruby is about! It's a wonderful way for everyone to reminisce on wonderful childhood memories of happy times with their own pets.

It's Easter time

Our residents have had a wonderful time welcoming Easter to Claremont Court. In the run-up to the big weekend we got creative making all manner of Easter crafts, from fluffy bunnies to flower wreaths and spring bonnets! On Easter Sunday itself some of us gathered for a private church service in the morning before our whole home came together for a sumptuous Easter lunch. Then when the culinary delights of the chef team had been enjoyed we danced and sang along to live entertainment from Billy Fox (complete with bunny ears, of course!) Each of our residents received a chocolate egg and ended the weekend playing lots of Easter themed games. We had a cracking time!

With love,
Karen Byres
